Neuro Behavioral Center LLC.  
420 Main St. Suite15, Walpole, MA 02081

Talisman Solution has been processing the medical billing activities for Neuro Behavioral Center for more than two years. And has been showing an outstanding performance as well as a very high claim approval/ rejection ratio in a considerably short time, and they are always working with us on improving the collection and billing process.

We highly recommend them to any medical group or facility
